1. COMPANY OVERVIEW

SINA Supplies and Logistics PLC is a diversified Ethiopian private company engaged in import and export trade, logistics, consulting, construction, real estate development, agriculture, energy, tourism, manufacturing, mining and integrated business services. Established with a vision of becoming one of Ethiopia's leading multi-sector business groups, the Company provides comprehensive commercial and industrial solutions that contribute to sustainable economic growth.

With a strong commitment to quality, innovation, professionalism, and customer satisfaction, the Company continuously expands its operations through strategic partnerships, modern technologies, and highly qualified professionals. Our integrated business model enables us to deliver complete solutions to government institutions, private organizations, development partners, investors, and individual customers throughout Ethiopia and international markets.

2. VISION & MISSION

Vision Statement

To become one of East Africa's most respected diversified business groups by delivering innovative products, integrated solutions, and sustainable investments across multiple industries.

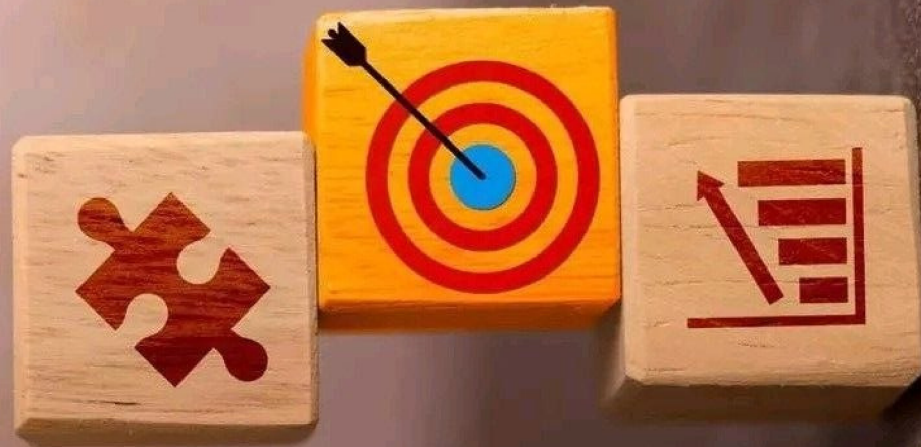

Mission Statement

Our mission is to provide high-quality products and professional services through innovation, operational excellence, ethical business practices, and customer-focused solutions while creating long-term value for clients, shareholders, employees, and society.

3. CORE VALUES

4. OUR BUSINESS PHILOSOPHY

We believe that sustainable success is built upon trust, innovation, responsible business practices, and long-term partnerships. Every investment we undertake is guided by our commitment to operational excellence, customer satisfaction, ethical leadership, and continuous value creation.

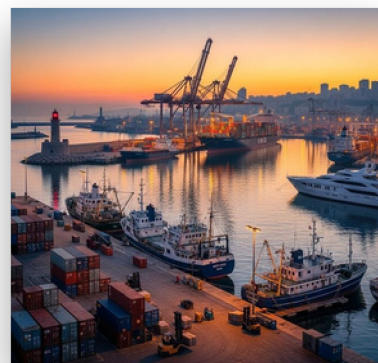

5. OUR BUSINESS SECTORS

Our company operates through several integrated business divisions.

Logistics, Transportation & Warehousing

Our logistics division offers integrated transportation and supply chain solutions including:

- Freight forwarding
- Cargo transportation
- Transit services
